Canada-Europe Track 1.5: Emerging Technology and Cyber Policy

Mission of Canada to the European Union
Avenue des Arts 58, Brussels, Belgium
Tuesday, June 14, 2022

The EU Cyber Diplomacy Initiative – EU Cyber Direct, the European External Action Service, Global Affairs Canada, and the Centre for International Governance Innovation are pleased to host a workshop that will explore the intersection between emerging technologies and cyber policy. The goal of this workshop is to foster greater cooperation and dialogue between Canada and the European Union, while also offering recommendations for future engagement to advance mutual interests.

AGENDA

Monday, June 13
7:00 – 9:00 PM
